

## Club Video Contest

This year, in lieu of the Club Construction Contest, the board will be hosting the Club Video Contest! Much like the Club Construction Contest, each school will be allowed to submit one video representative of their club to answer the prompt:

### **Where in the ancient world would your club travel to and why?**

The video must fit the following criteria:

- 10-30 seconds in length
- Addresses the prompt
- No inappropriate content (all school rules apply in the production of the video)
- The video must be sent in by a sponsor
- The video may be submitted in any format playable on a computer

Videos must be recorded at OJCL Convention after the contest has been introduced at GA. One representative will record their school's video and send it before Saturday at 10pm to the Second Vice-President, Sara Zandvakili, via the following email:  
[vpres2@ojcl.org](mailto:vpres2@ojcl.org)

This video is for the use of the OJCL Convention only. It may not and will not be published in any format (YouTube, OJCL website, etc.), but may be shown only during a GA at convention. Submission of a video for this contest is giving the OJCL your permission to show the video at convention. Please remember to only film people with their permission.

Creativity is encouraged!

Stupid prize: YAY TBD!
