How Do I Get There? Directions to get to campus in general:
http://www.uc.edu/visitors/directions_main.html

If simply dropping off students by car or bus:
- Enter McMicken Circle on Clifton Ave. - the entrance is at the light next to UC Law, directly across the street from Deaconess Hospital, it is marked by the flag pole.
- Drop students off just before McMicken Drive slopes downhill. Continue down the hill to leave, or to get to Clifton Court Parking Garage - directions for parking are below.
- McMicken Hall is the large main building on McMicken Way with a bell tower atop it.
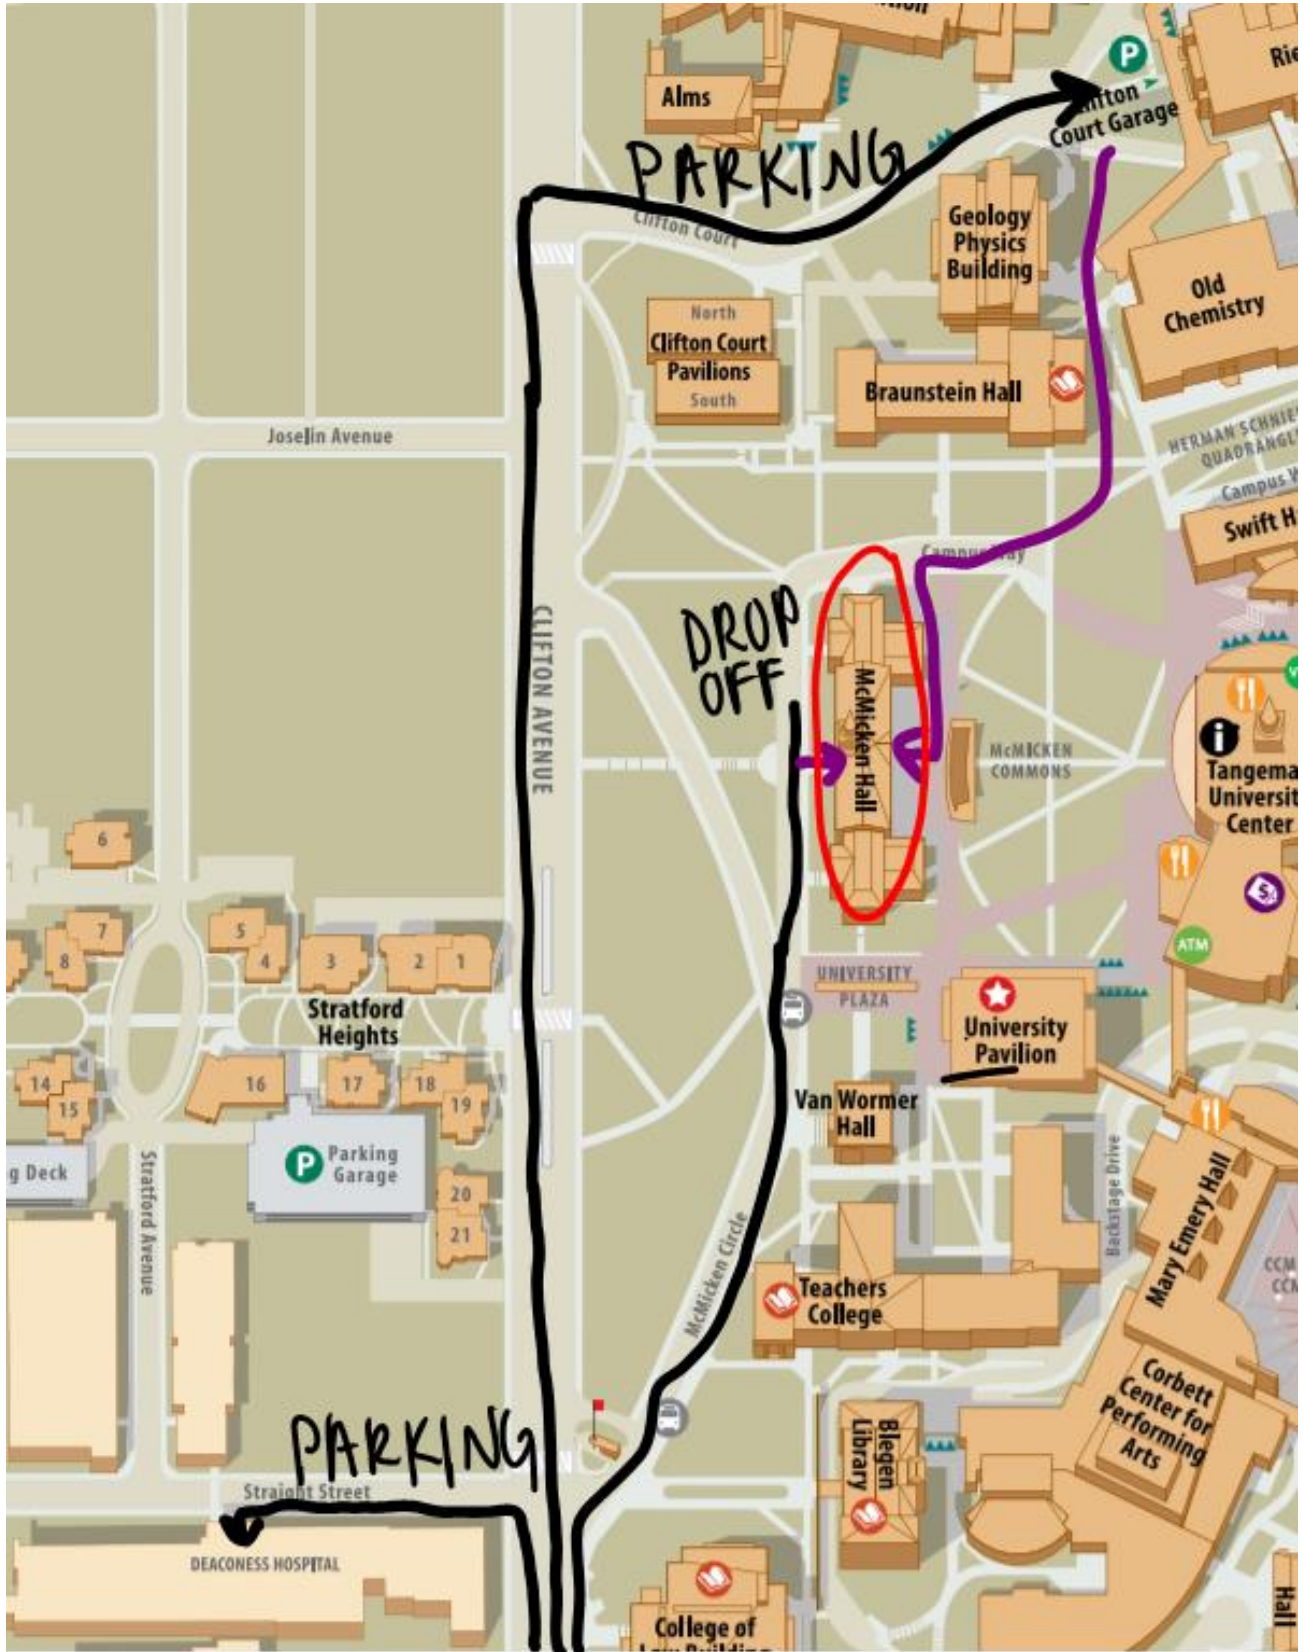

If you're planning on staying and need to park:
   There are two options:
- On Clifton Ave., turn onto Clifton Court Drive. This street is directly across the street from the Delta Tau Delta house.
- Continue down Clifton Court drive until you come to a three way split - take the middle road to enter Clifton Court Garage, park there. (Parking in this garage can cost $7-$10.)
- The staircase to the right of the entrance (from the perspective of entering the garage) to the garage leads up to a hill. A quad will be on your left. Continue to walk until you see a large green space (McMicken Commons). The tall building on your right is McMicken.
- Walk up the steps of the building and Room 127 is on your left.
   OR:
- Parking is also available at the Deaconess Hospital parking lot (off of Clifton Ave.) for only $5.
