

Julia Dean for Parliamentarian!

Experience

- **Summit Latin Club Parliamentarian:** ran voting caucus and ongoing service at Matthew 25
- **Summit Latin Club Publicity Coordinator:** created @SCDLatin instagram and publicized Summit Latin Club
- **OJCL South Gubernator:** set up MADD at California Woods, pre-convention picnic, and other service events including the Fall Forum service event (cards for Cedar Village)
- Summit Cross Country and Track Athlete
- Well-versed in OJCL constitution and by-laws
- Understands Robert's Rules of Order/parliamentary procedure

Goals: Communication is Key!

- Communicate extensively with pre-filed candidates
- Extend candidates' electronic platforms through links on the OJCL website- help candidates be more aware of this new resource
- Have members submit questions ahead of time to ask candidates at Meet the Candidates- this would involve as many people as possible in the election process and promote face to face campaigning
- Increase board involvement with small and new chapters:
 - A. Help these chapters set up local boards
 - B. Contact potential candidates from these chapters early-on for assistance
 - C. Visit small and new schools for one-on-one assistance with the help of the regional gubernators
- Remove outdated language from the constitution and by-laws:
 - A. In place of the bi-annual meetings required by Gubernators (by-laws article 5 section 7 subsection F), propose an amendment that has them send out monthly regional emails to sponsors instead- this system would be more efficient and achievable
 - B. Propose an amendment for removal of the duty of 2nd VP which has them arrange the proctors, judges, and other necessary personnel for contests (by laws article 5 section 3 subsection B) because this is outdated: the process is now more streamlined and the 2nd VP is no longer involved with arranging the personnel.

I have a passion for the OJCL and I would love to serve its wonderful members for another year!

Please approach me with questions, and **Vote Julia Dean for Parliamentarian!**
