

Hi, I'm Jaden Quilty and I'm running to be your First Vice President. My main qualification for this position is my work in UAU (Ursuline Academy United) where I have worked with 8th graders on their high school decision. This has included running open houses and our freshman orientation. Other qualifiers of mine are my leadership skills within and outside of UA. I feel that I take charge of stressful situations whether that be losing friends in crowds or making sure everyone in a group project is doing their part. My goal, if elected, is to make it easier and more accessible to join the OJCL. My reasoning behind this goal is that when I clicked on the 'learn more here' hyperlink on the OJCL website, it

redirected me to an error page. I would also like to encourage attendance to the state convention not just in my delegation but throughout all other delegations. I know that convention is the highlight of my year and I want other people to experience it. I hope that you consider me in your decision!
