

Gabe Sekeres

Treasurer

Qualifications:

Gabe has served as the Shaker Editor, a position which has taught him not only how to be a member of a board in the JCL, but how to interact not only with other board members, but with editors of other clubs. He is the treasurer of the Shaker HPA chapter, an organization which runs 2 large-scale events for charity every year. He has also worked with the OJCL treasurer at NJCL for the last two years, helping out with spirit, as well as working upwards of 8 hours at the bazaar each year.

Goals:

Gabe wants to work to develop a network between state and local treasurers, in order to get equal representation for both small clubs and large clubs. He wants to expand the Ohio bazaar at NJCL to include ideas from around the state, and use the aforementioned network to make sure every idea for spirit at NJCL is considered. Overall, Gabe believes it is impossible for any one person to have all the good ideas, and wants to express this philosophy by getting ideas from everyone who has them.
