Experience/Activities:

Club Offices: I am currently Summit's Latin Club editor. I was in charge of creating and designing the school's publication, Vox Latina, for this year. I also have taken notes at Summit Latin Board meetings when our secretary was not there.

Relevant experience or traits, general and with specifics for the given Office:

I am the vice president of the Student Philanthropy Club for which I have given presentations and disseminated information about upcoming events and activities to the student body as well as the Board of Directors. I also am a swim team captain and a Mock Trial team captain which help me to communicate with others and Mock Trial helps me to formulate ideas well in order to present them.

School & non-school related activities/sports/etc.:

I am a three-sport athlete and also am on the Mock Trial team and a member of multiple school clubs. I have balanced all of my activities since freshman year and will prioritize my duties as an officer because I recognize the responsibility of being an officer.

Executive Board:

Ability to communicate with students and adults (chaperones, sponsors, teachers):

I am a captain on my Mock Trial team and swim team which means I have to make sure that all of the other students are prepared and understand what to do. As the vice president of the Student Philanthropy Club, I mainly have to communicate with Alumni and donors to the school as well as the school administrators in charge of the club.

What have you done to understand the duties of the office you are seeking?

I have read through the by-laws and looked into the roles of the secretary. I also have spoken to the current secretary, Andrew Cahall, about what he has done as secretary this year

Do you have any goals/ideas for the Executive Board and/or the OJCL? Please be specific to the office you are seeking.

As the Secretary is in charge of the creation of the State Convention booklet, I would try to include students from all over the state by allowing them to send in ideas for the cover and then incorporating the ideas into the booklet cover. I feel as if this would be a way to get students excited about convention leading up to it.

Why would you like to become a member of the OJCL Executive Board?

The OJCL has provided many new opportunities for me to grow and meet new people. I want to be a part of the OJCL Executive Board to help others to enjoy Latin and the OJCL. The Executive Board is in charge of organizing events for the OJCL that allow people from all over the state to enjoy Latin and the classics.
