jones3ns@mail.uc.edu

How Do I Get There? Directions to get to campus in general:
http://www.uc.edu/visitors/directions_main.html

If simply dropping off students by car or bus:

- Enter McMicken Circle from Clifton Ave. - the entrance is at the light next to UC Law, directly across the street from Deaconess Hospital. It is marked by the flag pole.
- Drop students off along the second half of McMicken Drive, as it slopes downhill. Continue down the hill to leave, or to get to Clifton Court Parking Garage - directions for parking are below.
- Old Chem is across the McMicken Commons to the left. See attached map.

If you're planning on staying and need to park:

- On Clifton Ave., turn onto Clifton Court Drive. This street is directly across the street from the Delta Tau Delta house.
- Continue down Clifton Court drive until you come to a three-way split - take the middle road to enter Clifton Court Garage, park there. (Parking in this garage can cost \$7-\$10.)
- The staircase to the right of the entrance (from the perspective of entering the garage) to the garage leads up to a hill. A quad will be on your left. Continue to walk until you see a large green space (Schneider Quad).
- Walk up the steps of the building and follow the hallway to Room 527.
