

What it is now:

5.02 Eligibility

B: There will be no more than two candidates for elected office from the same school.

E: The candidates for the offices of President, First Vice President and Second Vice President must have attended at least one prior OJCL Convention.

What I want to change it to:

5.02 Eligibility

B: There will be no more than two candidates for elected office from the same school, and each school may only nominate one candidate for each appointed office

E: The candidates for the offices of President, First Vice President and Second Vice President, Treasurer, Secretary, and Parliamentarian must have attended at least one prior OJCL Convention.

B:

This past spring, there was a good deal of confusion regarding the rules for Gubernator, Historian, and Editor applications. In at least three instances, more than one application for a single office was received from candidates from the same school. The constitution of the OJCL does not currently state that there may be only one candidate from each school for a certain appointed office. This amendment will prevent confusion for applicants for appointed office in the future.

E:

Experienced Junior Classical Leaguers should be in charge of our organization. Article E should be expanded from only the offices of President, 1st Vice President, and 2nd Vice President to include all of the elected offices, including Secretary, Treasurer, and Parliamentarian. Expanding this article will prevent a JCLer attending their first convention to run for an elected office when they don't know how the organization works as a whole.
