

2nd VP Joseph Delamerced would like to thank everyone for all the service work done throughout the year! He reports the following: "At Convention, we paired up with Project Linus. Amazingly, all 150 quilt squares were able to be finished and decorated! Additionally, we had another service colloquium with Cards for Hospitalized Kids. We were able to make over 200 cards that will be able to brighten up a child's day. Thank you all so much!" (2-27-17)

The Make A Difference Day events were a HUGE success! The three Gubernators report on their events and would like to offer their thanks. (11-25-16)

- North Gubernator Blake Himes: "I owe a huge thanks to the group of OJCLers who attended North MADD on November 6th! After a late rescheduling, we gave Horseshoe Lake Park a lovely shine! It was awesome to see everyone take such care in cleaning a local park. We did a great job cleaning up the park, filling several trash bags. Thanks again to everyone who came out and picked up trash around the whole park."
- Central Gubernator Aquila Simmons: "The Central Region MADD occurred on November 20th as OJCLers helped to prepare food for a Thanksgiving Day food pantry event. There were several participants, and the leafy greens would be used in salads for those in need. A big thank you to those who attended!"
- South Gubernator Julia Dean: "On Saturday, November 12, a dedicated group of Cincinnati JCLers came to MADD at California Woods Nature Preserve. It was a cold day but everyone worked hard raking, shoveling, carrying mulch up and down a hill, and spreading mulch on trails. By the end of the day, we had restored an entire trail for the park! Overall, students did great work at the southern Make A Difference Day."

Thank you to all who participated in the Thinking of You Project for the Cedar Village Nursing Home at Fall Forum! South Gubernator Julia Dean reports that hundreds of cards were made and brought smiles to many faces. (10-7-16)

- On Sat April 16, 9-11 am, 10 Cincinnati area JCLers convened at Matthew 25 Ministries to do some awesome service work! They organized clothing for the needy, and all the clothing happened to be donated Ben Carson campaign material! There were Carson T-shirts, onesies, and even scrubs.
