

*Salvete Omnes! For Make A Difference Day 2020, we decided to do things a little bit... differently. On the 22nd of November, we had the **Books for Little Romans** event in the Southern region. For two hours, we had OJCLers drop by and donate their gently used and new children's and young adult books for Adopt a Book. In total, we managed to raise a whopping 408 books! Thank you to everyone who came and shared the JCLove!*
