# 2022 Classical Literacy Exam

The Classical Literacy Exam is given to all Latin students in May. This competition measures basic knowledge of all aspects of Greek and Roman civilizations, including vocabulary, expressions, mythology, history, culture, quotes, and geography. The various lists include terms like: *tabula rasa* (a new beginning), Argus (Odysseus' dog OR builder of the Argo OR the 100-eyed guard), the noblest Roman of them all (Shakespeare's reference to Brutus), triumvirate (a group of 3 people in a position of power), and many more!

The Pantheon in Rome: It was originally built by Agrippa but was redesigned by the emperor Hadrian. The front is the façade of a typical Roman temple, but the back is a unique sphere shape. The hole at the top is called the *oculus* (eye), and it lets in air and light. On April 21 (the birthday of Rome and the vernal equinox), the light from the *oculus* at midday hits the entrance to the temple and creates a dazzling special effect. *Pan* means all, and *theon* means god; it was a temple to all the gods. It is now one of the most popular tourist sites in Rome, with over 9 million visitors a year.

## Summit Latin at the 2021 NJCL Convention

Seven Summit students attended the virtual National Junior Classical League convention on July 26<sup>th</sup>-31<sup>st</sup>. Originally scheduled to be at San Diego State University, all aspects of the convention were converted so that the students could compete from home – even the athletic events! Abby Almaguer '22, Irene Calderon '22, Jimmy Fraley '22, Aaron Fraley '26, Wali Khan '23, Mia Rahner '23, and Kendall Richard '22 submitted videos of themselves competing in the Creative Arts, photos of their Graphic Arts projects, took academic tests through Google Forms and competed against other states in Certamen via Zoom.

Mia Rahner's Drawing/Painting entry earned the highest Summa Cum Laude distinction. Abby Almaguer placed 1<sup>st</sup> in the Upper Level Girls' Marathon (really only 2 miles) and she served as the Treasurer of the Ohio delegation, organizing our spirit cheers and merchandise for sale. Jimmy Fraley competed on Ohio's Upper Level Certamen team which placed 6<sup>th</sup> and served as the South Gubernator, having previously planned a regional picnic to get students excited and ready for convention. As the outgoing Editor, Kendall Richard's editions of Ohio's Latin newsletter, The Torch, placed 7<sup>th</sup> in the nation. Kendall is currently the OJCL's 1<sup>st</sup> Vice-President, managing social media and membership for the state. Wali Khan placed in nearly all of the Minecraft competitions, earning 1<sup>st</sup> place in archery, a Cum Laude distinction in creative building and 5<sup>th</sup> place in swimming.

Aaron Fraley excelled academically during the week, earning 1<sup>st</sup> place on the Hellenic History and Mythology tests and 2<sup>nd</sup> on Roman History, all at level 1/2. Aaron also made up 50% of Ohio's 9<sup>th</sup> place Novice Certamen team. Elected NJCL Editor last summer, Irene Calderon ran an excellent campaign and was again elected to the national board as the 2021-2022 NJCL Historian. As a national officer, Irene will be responsible for creating and editing the national scrapbook of the organization. Her editions of the national newsletter, The Torch: US, from the past year are available at <<https://www.njcl.org/Students/TORCH-US>>.

MS/US Latin teacher Lisa Mays continued to serve in her capacity as OJCL State Chair of Students, advising the OJCL board as they led the Ohio delegation through the various activities and competitions.

# 2022 NJCL Latin/Greek Honor Society

The Latin/Greek Honor Society is an honorary organization for students who have exhibited excellence in the study of the Latin/Greek language. Students in the Latin Honor Society must:

- ✓ maintain an “A” average in Latin
- ✓ demonstrate dedication and enthusiasm for the language
- ✓ participate in at least 3 Latin-sponsored events (normally 4, but omicron...)

Here are some quotes from the student essays for the LHS about their Summit Latin experience:

- I appreciate learning the intricacies of the language I love so much, and I have tried my best to contribute to the award pool for my school through academic tests and graphic art projects.
- I enjoy taking Latin because in class we don't just learn about the language, we learn about the life and culture of ancient Rome, derivatives, mythology, etc.
- My favorite event was decorating pumpkins with a scene from the Odyssey. I picked Odysseus and the Sirens, because I liked how smart he was, to have his men tied him up so he could be the first man to hear the Sirens' song and survive.
- We can bond over our shared nerdiness. I started Latin because it was cool and different, I stayed with Latin because of the Latin Club community and the beauty of the language.
- I really enjoy how broad the subject of Latin and just how diverse the contents of the class are, studying the language rigorously to try and get a comprehensive grasp on it.
- The Summit Latin program is a strong uniting force in top scholars at Summit. I, like 5 other members of the Latin II program, was lucky enough to make the top 10% GPA of students in the freshman class; the hard work and diligence I learned through pursuit of further Latin knowledge no doubt a contributor to my success.
- I have demonstrated enthusiasm for Latin in and out of school, by participating in class, studying and working hard to learn material, and also to be a positive example of Latin within my Middle School. I try to convince my friends to join me in taking Latin, as the Summit Latin program is excellent and fun.
- Latin is such a unique, complicated language, but a lot of its beauty is in its intricacy. The varied endings and forms of words, though tedious to learn and memorize, are incredibly interesting to use and hear. I hope to continue to learn Latin throughout high school and become much more involved in the Summit Latin community and hope to become a member of the Latin Honor Society
- I did not attend the Latin convention this year, but I want to go next year. I am very glad I joined the Latin community as I arrived at Summit, and they have made me feel nothing but welcome.
