*Note: It does not matter who reads and who judges. Please feel free to decide between yourselves. You may also switch off for different levels.

Other notes:

Cardinal and Ohio room are not needed for Levels 1 and 2. Please report to your rooms for Upper level competition and semis.

Judges/Readers do not need to switch rooms during preliminary rounds; assignments have been made such that your own students will never play in your room at any level. **Judges/Readers may have to switch rooms for semi-finals; this will be decided on the fly as rooming assignments are made.** Thank you in advance for your flexibility.

If you are not needed to read/judge for part or all of the preliminary rounds, you are free to either watch your students compete at these levels OR be assigned to help elsewhere.
