

*Salvete Omnes! For Make A Difference Day 2020, we decided to do things a little bit... differently. On the 22nd of November, we had the **Books for Little Romans** event in the Southern region. For two hours, we had OJCLers drop by and donate their gently used and new children's and young adult books for Adopt a Book. In total, we managed to raise a whopping 408 books! Thank you to everyone who came and shared the JCLove!*

CENTRAL MADD

Throughout October and November, Central Latin clubs met to make cards for Celebrating One, a local organization that distributes cards to members of the community who could use some words of encouragement. Though the pandemic has made it difficult to hold large, in-person events, we were able to keep this service project socially distanced by holding multiple small meetings across the schools. Each participating school was provided with supplies and a list of inspirational quotes, and each Latin club held their own meetings for their members to decorate the cards. This allowed each club to follow their own school's safety precautions and made it easier for more students to attend. Together, we produced over 100 cards.

NORTH MADD

For Make a Difference Day 2020, Northern Latin Clubs came together for a good cause. On November 28 we had a Winter wear drive. OJCLers came together and donated socks, hats, scarfs, and gloves. All items were then donated to the Sun Zero Mission based in Northern Ohio to help our community stay warm this winter. Thank you to all who participated and helped share some JCLove during these times!!
