2025 OJCL Convention!

Each year, the OJCL hosts a convention in Columbus which brings together over 800 students, teachers, and parents from across the state of Ohio to celebrate the study of Latin. There are a variety of competitive activities at the convention: academic tests, art contests, certamen, and creative performances (in both English and Latin). In addition, the convention offers a number of social activities, including a dance, a toga banquet, and OJCL's *Got Talent!* State Convention is also an opportunity for students to run for the OJCL Executive Board. Delegations compete in various contests to win prizes and recognition in Overall and Per Capita.
